Organisations allowed to appoint trustees include Stoke Gifford Parish Council, Stoke Gifford Parochial Church Council, British Legion (Stoke Gifford Branch), Little Stoke Ratepayers Association, Stoke Gifford Cricket Club, Stoke Gifford United Association Football Club, Stoke Gifford Tennis Club and the Stoke Gifford Baptist Church Committee.

Related parties

Of the trustees who stood during the year, E. Brown was also Chair of the Parish Council. Mr D Addison is a Parish Councillor. The Parish Council are custodian trustees of the charity.

The Trust receives assistance from the Parish Council comprising grass cutting, maintenance of boundaries, tree surgery and maintenance of play equipment. A contribution towards these costs was introduced by the Parish Council in 2012 being $\pm 2,400$ for 2020/21 and 2021/22.

The trustees have considered the major risks relating to the charity and have reviewed the controls in place to manage them.

Objectives and Activities

Objectives of the charity

To manage the Trust Ground (all those pieces or parcels of land together with buildings and yard situate at Stoke Gifford and being Ordnance Survey numbers 218, 219, 219a, 221 and 248) for the purposes of public playing fields and of physical and mental training and recreation and social, moral and intellectual development through the medium of reading and recreation room, library, lectures, classes, recreations and entertainments or otherwise as may be found expedient for the benefits of the inhabitants of the Parish of Stoke Gifford in the County of Gloucestershire and its immediate vicinity without distinction of sex or political, religious or other opinions. The trustees have had regard to the guidance issued by the Charity Commission on Public Benefit.

Main activities

To achieve the objectives stated above the Stoke Gifford Trust undertakes for the benefit of the people of Stoke Gifford:

- 1 Maintenance of the green space of the Trust Ground (approx. 5.366 acres) including one football pitch, one cricket pitch, one tennis court and one multi-purpose court (tennis, basketball and football practice) making these facilities available for use by locally based clubs on a regular basis and for occasional hire by other users.
- 2 Maintenance and improvement on the site of a small children's play area open to the general public.
- 3 Maintenance and improvement of a hall with attached kitchen and toilet facilities ("The Trust Hall") making this hall available for general hire by local residents for recreation, local organisations for public meetings and use as a poll station and clubs and commercial organisations providing recreational activities and indoor sports for the benefit of the local residents.
- 4 Maintenance and improvement of a second, smaller hall with attached kitchen and toilet facilities ("The Poplar Rooms"), making this hall available for general activities by local residents and organisations (commercial and otherwise) providing educational and recreational facilities to local residents.

PUBLIC PLAYING FIELD AND VILLAGE HALL (known as STOKE GIFFORD TRUST) Report of the Trustees for the year ended 30 September 2022

- 5 Maintenance and improvement of a pavilion providing showers, changing rooms and
- 6 Provision and maintenance of an on-site car park.

The Trust wishes to note the contribution to the maintenance of the playing fields and outdoor courts made by trustees, members of the community and volunteers from the football and cricket clubs. It has not been possible to place an economic value of the contributions made in the accounts.

Achievements and performance

Both halls continue to be well used with potential hires having to be turned away due to lack of capacity. Our focus is on providing regular activities wherever possible with the pre-school, dance schools, bowls and churches continuing to make extensive use of the facilities. We retain two morning booking times at weekends to allow parties to other social gatherings. Outdoors, the facilities for football, cricket, basketball and tennis continue to be well used when the weather permits.

Hire of the facilities continues to be our main source of income and we are able to generate a operating surplus which is being used to maintain and improve the facilities

We incurred significant damage to the sports netting protecting surrounding houses from stray cricket and tennis balls and had to make urgent repairs as soon as the weather permitted heavy equipment onto the field.

Ground works continued with the annual check identifying several dead trees which had to be removed. Undergrowth has also been cleared to ease ongoing maintenance of the field boundary.

Declaration

The Trustees declare that they have approved the Trustees' Report above on 13 June 2023

D Addison Chair I report to the trustees on my examination of the accounts of the charity for the year ended 30 September 2022 which are set out on pages 8 to 18.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or

3

the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Basis of preparation

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland 2015 (FRS 102) (effective 1 January 2019) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest f.

The accounts have been prepared on the assumption that the charity is able to continue as a going concern. The trustees consider that the charity has sufficient cash reserves to continue as a going concern for a period of at least 12 months from the date on which these financial statements are approved.

2 Accounting policies

Incoming resources

Incoming resources are included in the Statement of Financial Activities (SoFA) when: (i) the charity becomes entitled to the resources; (ii) it is more likely than not that the trustees will receive the resources; and (iii) the monetary value can be measured with sufficient reliability.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount realised.

Donated services are included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

The value of any volunteer help received is not included in the accounts but is described in the trustees' annual report.

Investment income is included in the accounts when receivable.

Expenditure and liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Assets

Tangible fixed assets for use by the charity are capitalised if they can be used for more than one year and cost at least £500. They are valued at cost or a reasonable value on receipt.

Building works and general improvements to the grounds and existing buildings are written off in the year of the expenditure being incurred as the original land and building costs were not capitalised.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life. Full depreciation is charged in the first year.

Equipment 20% on cost

VAT

Since the charity is not VAT registered, all input VAT is charged with the expenses to which it refers.

Fund accounting

Unrestricted funds are incoming resources receivable or generated for the objects of the charity without further specified purpose. They are available as general funds and can be used in accordance with the charitable objectives at the discretion of the trustees. Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Expenditure which meets the criteria is charged to the fund together with a fair allocation of support costs where appropriate.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. The liquid funds of bank balances are shown at their realisable values.
